**Farmingville, NY** - On Wednesday, January 19th, Councilwoman Jane Bonner and Valerie Biscardi, Town Commissioner of Housing and Human Services, unveiled the newly renovated restrooms at the Robert E. Reid, Sr. Community Center in Shoreham. The new handicapped accessible restrooms were installed by Almas Construction of Wading River. The restroom upgrades were paid in total with Community Development Block Grant funds.

"Providing a modern, handicapped accessible restroom is more than just a convenience, it is a necessity for many of our residents who come to the center," said Councilwoman Bonner. "Maintaining and upgrading our town facilities is extremely important and something I have been a staunch proponent of since taking office. I thank Val Biscardi for her efforts in helping to get this done."
